OKLAHOMA

Better Utilizing Investments to Leverage Development Grant Program

- A unique opportunity to fund projects that align with federal priorities.
- \$1.5 billion available nationwide.
- Yukon is developing a proposal for the upcoming FY25 grant cycle.
- Proposals must address the following criteria:
 - Safety
 - Quality of Life
 - Environmental Sustainability
 - State of Good Repair
 - Innovation
 - Economic Competitiveness and Opportunity
 - Partnership and Collaboration
 - Mobility and Connectivity

Project: South Yukon Transportation Improvements

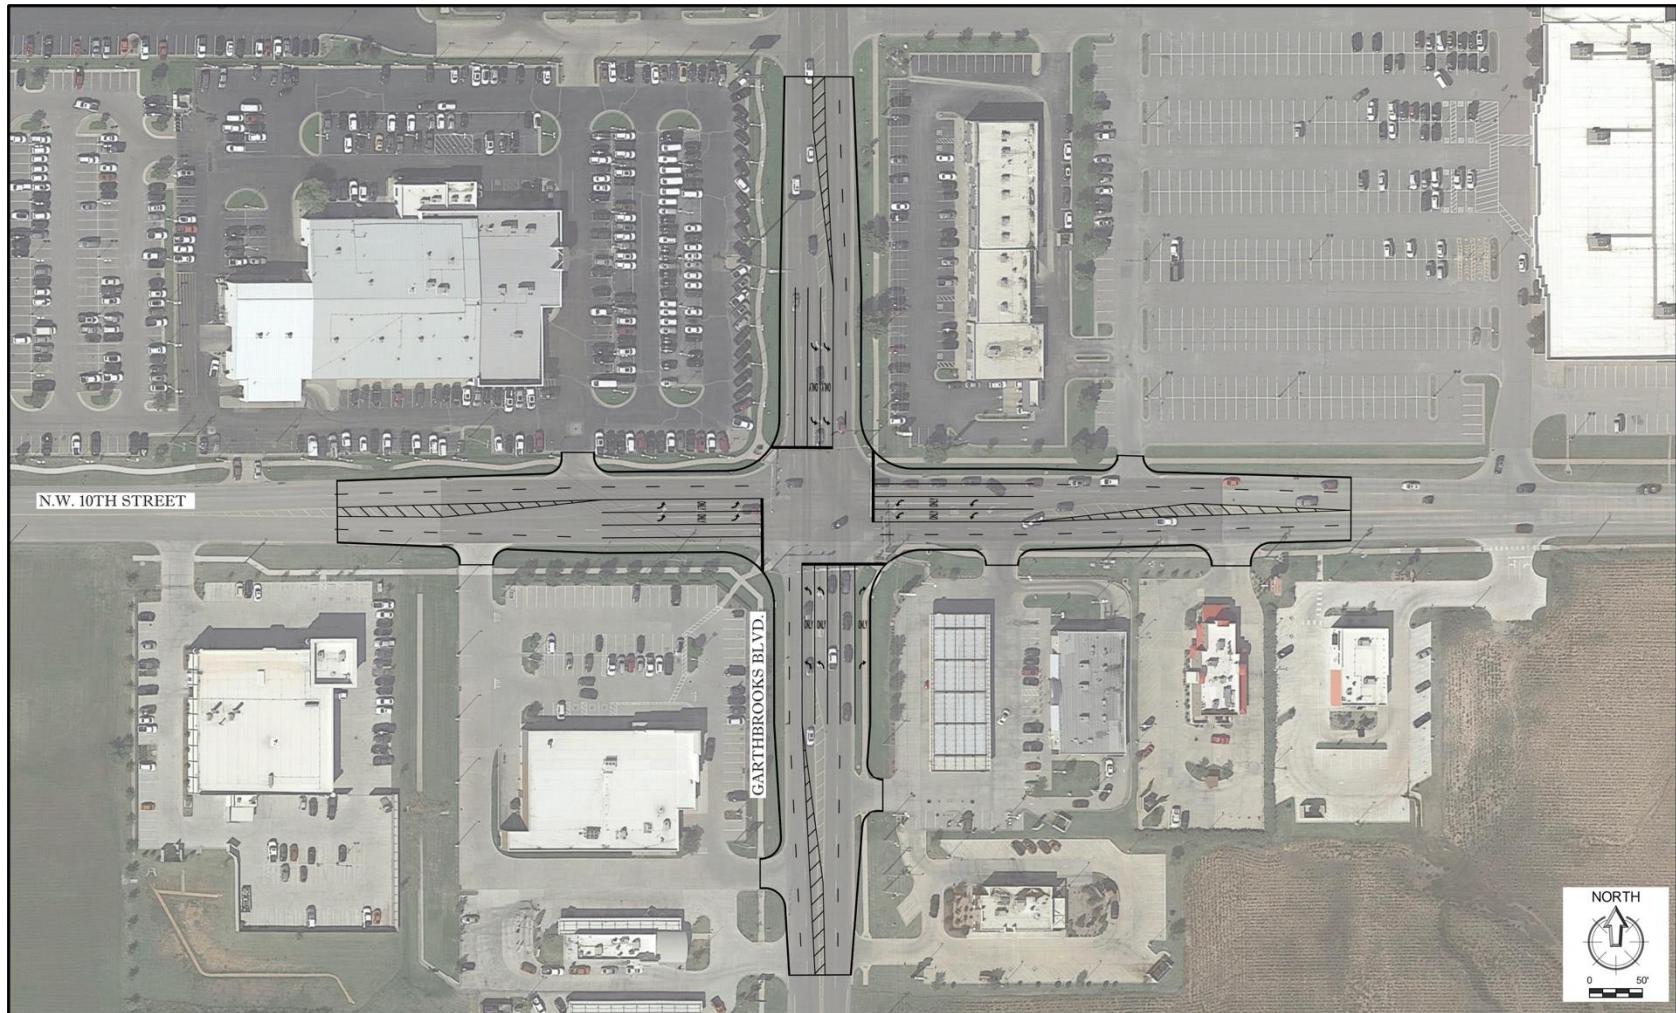

Planning and Design activities focused on the following:

- Roadway improvements along Garth Brooks Boulevard from NW 10th Street to Vandament; adding a 5th lane & multi modal trail
- Improvements at the intersection of NW 10th Street and Cornwell Drive/Czech Hall Road & the intersection of Garth Brooks & NW 10th
- Dual left-turn and dual right-turn lanes on all approaches;
- Updated traffic signals & pedestrian safety
